BREAKING LOCAL NEWS!!!

SOUTH BEND - All skill levels welcome! Dungeons & Dragons is a D20 tabletop roleplaying system. All the important decisions are made with a 20 sided dice; from the smallest task of asking the innkeep for a better rate on a room, all the way to landing the killing blow with your +3 holy greatsword on the ancient, evil dragon. Dangerous situations will prompt an initiative, d20s will be rolled to decide who will go first in a turn, all until everything is resolved one way or another.

MEOWHEIM - Welcome to the land where everything is going "swimmingly." Peace talks have been struck with the nation of Great Caninein after decades of bitter strife. This is all well and good, but, just as soon as the time for the peace talks were decided; the great King Maine Coon went missing! The nation of Meowheim is in hysterics. If the king cannot be found in time for the peace talks - Dober Min, Emperor of Great Caninein, will consider calling off the peace talks and declare war. Hopefully, strong and intrepid heroes will come to the aide of Meowheim once again!
