### It's a Gold Rush!!

In the region of Meowheim, a flourishing kingdom of prosperous cities, lush forests, and perilous peaks, two mystical cat spirits have appeared and begun warping the landscape in strange and unpredictable ways. Untold fortunes await the bold, yet even more untold dangers will prey upon the unprepared. Gather your party to throw down some dice and write your story!

This story will be not through books or word of mouth, but through the classic Tabletop Role-Playing Game **Dungeons and Dragons!** (2024 rules) Whether you're a seasoned adventurer or looking for a curated experience as a beginner all are welcome at the table.

- **Brave into the wilds yourself**
  - The **Adventurer's Kit** (\$50) comes with a seat at the table, a character mini, a set of dice, and 2 **Fortune Tokens** (explained below)
  - Command one of **10** Heroes from Meowhammer's past, leave your mark on the land for future adventurers to uncover.
  - Compete with other players for hidden **achievements**, and wait for them to be revealed upon the event's conclusion!

Not all is as it seems this time around, mysterious outside forces are at play, amplifying moments of **fortune** and **despair** seemingly at their whim and enjoyment

**Will you achieve **Triumph** or succumb to **Tragedy** ?**

- When a **Natural 20** , Or a **Natural 1** is rolled additional random effects will be drawn from a pool and enacted during play!
  - **Contribute to the Chaos** - While some of these effects are designed by the team, you too can submit designs for **Triumph** and **Tragedy** events!  
\$5 - Design **2 events** that will enter the drawing pool for all sessions ran during the weekend  
\$10 - Design **4 events** that will appear more often!  
\$20 - Design **6 events** that will have the highest likelihood to appear
  - **Take matters into your own hands** - As part of the **Adventurer's Kit** and for purchase throughout the event (\$5 each), players can acquire **Fortune Tokens**: One time use tokens that can either cause a **Triumph** or **Tragedy** event to occur on command! Don't let anything stand in the way of your glory
